What's new about the upcoming edition?

More people! The number of our attendees grows each year. This time we expect around 1500 innovative, disruptive and beautiful minds

We are becoming **the biggest meeting point** for startups from CEE countries. We are inviting communities and entrepreneurs from Slovakia, Czech Republic, Bulgaria, Romania, Ukraine, Belarus and more.

Networking opportunities. Startup alley, face-to-face scheduled meetings, Eventory mobile application and more. Bitspiration is unique thanks to the fact, that you can meet personally any single attendee, partner, speaker, media representative. We do not create any VIP sections.
